Dear Cornie:

STAT Thank you for your letter of 9 February recommending [redacted] for this Agency.

STAT

We shall be very glad to consider him for a possible place here, and I am enclosing required forms for application for employment which he should fill out and return prior to taking further action.

We maintain a very rigid non-prosecuting policy in CIA which will make it necessary to verify [redacted] the fact of his contemplated release prior to taking further action after receipt of his application forms. After such verification we will contact him directly as to further steps if we find an appropriate current vacancy for which he may be considered.

I appreciate the interest which prompted your taking time out to refer a desirable candidate in this direction.
